

International Society of Indoor Air Quality and Climate (ISIAQ) Corporate Membership

ISIAQ is an international, independent, multidisciplinary, scientific, non-profit organization whose purpose is to support the creation of healthy, comfortable and productivity-encouraging indoor environments. The almost 1000 Members of the Society include:

- Scientists involved in all aspects of indoor air quality
- Governmental and regulatory professionals
- Medical practitioners
- Occupational health professionals
- Building owners and managers
- Building, construction and air-conditioning engineers
- Architects
- Environmental lawyers

Benefits of Corporate Members

Corporate members receive the equivalent benefits of two regular individual memberships with the flexibility of use by different individuals. These include:

- Possibility to participate to the technical work done in the ISIAQ Task Forces
- Two copies of the Indoor Air Journal with online access
